Zoom Room Large Room Pro Kit

A pro-level Zoom Room solution tailored for large rooms, featuring advanced technology for top-notch virtual collaboration.

The Boom Zoom Room Large Room Pro Kit is a premium solution designed for large conference rooms, boardrooms, or meeting spaces equipped with Zoom room setups. Featuring the Boom MAGNA Pro Ultra HD 4K AI Auto-Tracking PTZ Camera, this kit provides dynamic video capture with AI-driven auto-tracking for seamless focus on active speakers. The Boom GEMINI HD USB and Bluetooth Speakerphone delivers superior audio quality with built-in noise cancellation and full-duplex audio capabilities, ensuring clear communication in expansive spaces. The powerful Boom CAPO II Intel NUC with Windows 11 Pro ensures smooth performance, while the Boom VISTA Zoom Room Controller offers intuitive control for a streamlined Zoom experience. Together, these components create a comprehensive solution for high-quality video conferencing in large, collaborative environments.

Crystal-clear video

The Boom MAGNA Pro Ultra HD 4K AI Auto-Tracking PTZ Camera offers dynamic video capture with exceptional 4K clarity. Its AI-driven auto-tracking keeps active speakers in focus, ensuring seamless and professional video conferencing in any large room. With its 20x optical zoom, pan, and tilt capabilities, it covers even the largest spaces with crystal-clear imagery.

Superior audio

The Boom GEMINI HD USB and Bluetooth Speakerphone provides high-fidelity audio with full-duplex capabilities, delivering clear, natural sound for every participant. Built-in noise cancellation enhances the communication experience, while the device's expandability ensures perfect coverage for large and diverse meeting spaces.

Complete connectivity

The Boom CAPO II Intel NUC with Windows 11 Pro ensures smooth performance for your video conferencing needs, making setup and operation efficient and reliable. The Boom VISTA Android-Based Zoom Room Controller offers centralized, intuitive control, allowing users to seamlessly manage their Zoom experience. This system supports all major video conferencing platforms, including Zoom, Teams, Webex, and Google Meet.

Plug & Play. Always.

The Boom Zoom Room Large Room Pro Kit offers a simple plug-and-play solution for easy setup and smooth operation. Designed for large conference rooms, boardrooms, and meeting spaces, it delivers a comprehensive, high-performance video conferencing experience for seamless collaboration in expansive environments.

Zoom Room Large Room Pro Kit

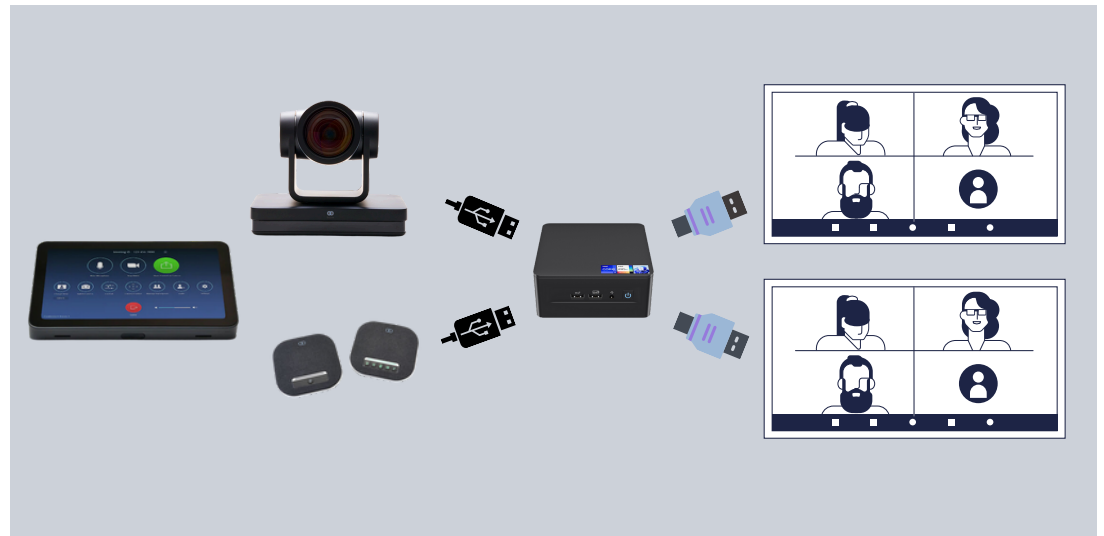

Designed for large conference rooms, boardrooms, or meeting rooms equipped with Zoom room setups.
